PRESIDENT'S REPORT

Dear Members,

As you are probably aware, it was a mixed up year for me as I resigned midway through the year. I would like to thank Graham Philip for taking over the Presidency during the season.

Unfortunately, Graham has moved to Newcastle to work. On behalf of the Club I would like to thank Graham, his wife Sonya and family and wish them all the very best for the future. The Club will miss them very much.

This year is shaping up to be competitive indeed, with great interest shown in the A & B Boat crews as well as a lot more crews interested in competing with the IRB's. As we have built our ski supply up in the off season, I would like to see as many people training on these as possible. At long last, we may have a cadet team competing at carnivals. I would like to see as much help as possible to go into promoting these kids as possible.

To all those people on the committee and those that completed their Patrol commitments, congratulations on a very good performance.

I would like to wish all those standing for office this year every success in the coming season.

Yours in surfing,

Bruce McWhirter
President

As stand-in President for a few months mid-season (87/88), I take this opportunity to thank all members, sponsors and supporters of Blackhead S.L.S.C. and extend a special thanks to all fund raisers for their efforts in keeping the Club buoyant, via the "Bridges" purse strings.

To the new committee, I wish you well in the job ahead and to continue the excellent work of the out-going committee.

As you all possibly know, "The Philips" are moving to Newcastle eventually and I take this opportunity to say "THANKS" for all the friendship and good times experienced within the Surf Lifesaving movement via Blackhead S.L.S.C. - it will always remain "Our Club" !

GRAHAM PHILIP
(VICE-PRESIDENT)

SECRETARY'S REPORT

The following summarises the past year for Black Head S.L.S.C.

CLUBHOUSE EXTENSION

With the completion of the clubhouse extension, the Radio Room was moved upstairs during the season. The Committee Room has been used the last year not only by our clubs committee, but also by the L.N.C. Branch who use our building for their monthly meeting.

The building is also being used more by the residents of the Hallidays Point Area as it is the only hall in the district.

MEMBERSHIP

With membership down slightly on last season, our committee and small band of hard workers had to work even harder to maintain the high standard set in previous seasons.

Congratulations to our Chief Instructor John Purcell, who was selected in the Country Branch's Team to tour New Zealand in January, 1989. John's selection was most deserving because of the amount of time he has put into Black Head S.L.S.C. and the Lower North Coast Branch.

Our best wishes go to Graham and Sonya Philip who are moving to Newcastle, they will be missed at Black Head as they have worked hard for the club over the past few years.

VETERANS CARNIVAL

In February, the club held its first Veterans Surf Carnival; it was a most successful day. Eleven clubs from as far away as Macksville, Scott Head to the North and North Bondi to the south.

Black Head won the Alcorns Taree Sportscene Pointscore Trophy with 175½, Port Macquarie second 89 and Tacking Point 85.

Our thanks to Harry Alcorn and Peter Dahdah who sponsored the Carnival, it is planned to make the Carnival an annual event.

SOCIAL EVENTS

As usual the club held many social events during the year; we even managed to turn any event into a social occasion.

MEETINGS

Attendance at meetings has been as follows:-

B. McWhirter	-	11	M. Fisher	-	11
G. Philip	-	9	R. Dujmavic	-	12
G. Doig	-	8	M. Middleton	-	8
R. Bridges	-	12	K. Farrelly	-	11
D. Hopkins	-	6	N. McManus	-	9
B. Pain	-	10	D. Smith	-	11
J. Purcell	-	10	C. Cross	-	1
T. Aldridge	-	8	R. Coupe	-	11
J. Edstein	-	7			

With the intergration of the Junior activities and the senior now complete and the club in the process of becoming incorporated, the coming season should be interesting from an administrative level.

Black Head is lucky to have the following major donors who have continued to support us over the years:-

DAHDAHS - to Peter we say thanks for continuing to dress Black Head Members in Club t-shirts and patrol shirts, also for being a Sponsor of the Veterans Carnival.

Another exciting idea for the coming season, is the proposal for Black Head S.L.S.C. and the Taree Police Youth Club to become a kindred body, this proposal can only benefit both organisations.

Finally, on behalf of the President and members of Black Head S.L.S.C., I would like to thank the officers of the Lower North Coast Branch and the officers and staff of N.S.W. State Centre and National Council for their help and assistance during the past year.

Graeme Doig,

TREASURER'S REPORT 1988

Dear Members,

So ends my second year as treasurer.

Firstly, I would like to thank all the sponsors of the club. The major ones are listed at the end of this report. Without their continued support the club couldn't function. There have been many others, too numerous to list, who have also donated to the club funds. This has made the purchase of many items of equipment possible. Thanks to you as well.

Secondly, I would like to thank the members of the functions committee, i.e. Doug Smith, Craig Cross and Bob Coupe. The work they have done catering for carnivals and functions has been terrific. Together with Kevin Farrelly, Noel McManus and Dennis Jeffers, this group has been responsible for organising and serving countless drinks and eats throughout the year. This in itself has been a good money spinner for the club. There have been many with their hands out asking for money, but it's always the same faces prepared to do the work involved in raising it.

The most successful fund raiser for the year was by far the 200 Club which raised in excess of \$4000 for the club. I thank all those people who made the effort to sell tickets. The B.B.Q. at the end was not only a good day but came in under budget and allowed us that little bit more profit.

The raffles which we have been running at the Bowling Club every Friday night have become a regular source of income for the club. At the time of writing this report we had made a profit of \$1953.06 over a period of 36 weeks, approximately \$54 per week. Again, thankyou to all those who take their turn on the raffle roster. If there are any others who are available to help please let me know.

People often ask me what happens to all the money that comes in so here is a good chance for all to see - on the financial statements accompanying this report. Unfortunately they were not available at the time of writing this report so I cannot quote figures, but take a look at the amount of money spent on general running costs such as electricity, phone, insurance and maintenance on the club house. Add the purchase, repair and maintenance of gear for the year and you can see it requires a substantial amount of money just to keep the club operating. If we had to pay wages for all those people who volunteer their time for patrols, fund raising and general work around the place we would be in real trouble.

I would like to thank the other members of the committee for the work they do in their various areas. By looking after the gear they are responsible for, in the long run they help the club financially by lowering the cost of repairs.

On parting I would like to remind all members that the success of the club depends on the combined efforts of everyone. There is a lot of work to be done all year round to keep the club functioning and the committee appreciates any assistance offered.

Yours faithfully,

TREASURER
