

BOARD AND SKI CAPTAIN'S REPORT

The season in the board & ski department has been a somewhat quiet one.

A handful of competitors travelled to a few away carnivals, coming back with mixed results.

The need for updated equipment, namely racing skis, is ever increasing, especially around club championship time.

It is anticipated that a coaching/training program will start as the weather warms up for the younger or keener members of the club, which will help keep the boards & skis from being damaged as often as they are, as well as promoting greater levels of fitness.

I would like to thank those who helped with repairs and transportation of boards to Forster for repairs, as it was a never ending job.

All the best of the coming season.

TIM MANUSU

PUBLICITY OFFICERS REPORT

New faces joining in the past 12 months provided most of the news stories for our club this year. It was great to see some of the eager young (and not so young) bodies line up for competition each week, and doing well against the more seasoned performers. My hope is that they continue to be stimulated by the challenges of not only performing a worthwhile community service, but keeping fit and having a great time with a top bunch of people as well.

One of my most rewarding jobs this was the recording of several heroic efforts by our members, not while they were on duty, but outside the club, in the wider community. These people won the praise and the hearts of highly trained professional emergency workers, reflecting highly on the standard of training Black Head maintains among its members. Special congratulations are well deserved all round, for the rescuers and their trainers!

Competitively, the season was again rather quiet, but the improved line- up of members each Sunday morning for the weekly swim gave plenty to write about, with almost all starters sharing the recognition for their vastly improving efforts. Once again, well done to those committed enough to give up their Sunday morning sleep-ins.

Hopefully the coming season will bring many more accolades for Black Head, starting I believe, with the debut performance of a group of dedicated women taking on the men at one of their own rough and tumble games!

HELEN MANUSU

Black Head lifesavers are sun-safe this summer, thanks to the generosity of sponsors Valley Homes Port Macquarie, BP Oasis Tuncurry, Diamond Beach Butchery and Aim Hire Forster. Each has presented to the club a full set of patrol uniforms, comprising distinctive yellow long sleeved, hooded shirts and lightweight red shorts.

JUNIOR ACTIVITIES REPORT

The 1993-94 season has seen our club membership remain the same as last season with just over 100 registrations, children travelled from Nabitac, Tuncurry, Taree, Wingham and Hallidays Point area.

This season with more competition days on our own beach than in the past and a number of new events introduced we have seen the childrens skills on the beach and in the surf improve dramatically, due to their commitment to regularly attending activities on Sunday mornings, we must congratulate the children for their effort and determination.

the family B.B.Q. were very successful with the formation of a catering committee for the 94/95 season, this will see the continuation of these B.B.Q.'s.

During the season there were some great results in competition especially the Country Championships held at South West Rocks:

Andrew Hancock - Silver in the U/13 Surf Race

Jessica Hamilton - Silver in the U/9 Beach Sprint

Hanna Marchetta - Bronze in the U/9 Board Race

As well as these results a number of children made finals, this being our best result for a number of years. Next season see's the Country Championship at Forster making this carnival with in reach of all our members that wish to compete at this level.

Three members also attended the State Championships at Wollongong, all three making

Our Branch Championships held at Crowdy Head saw Black Head come Second to Forster with a number of good results in the water and on the beach.

Our fundraising this season was very successful starting with our Chinese Night, a great night was had by all, next season this will be held in Taree. The Pie Drive was a great success raising money for the start of the season, a big thank you to all the ladies involved. We also shared in the running of a raffle with the senior club and did a great job running the B.B.Q. for the Senior Branch Championships, with the Juniors gaining the profits, thank you to all that gave of their time.

Through every bodies fund raising efforts this season we were able to purchase a number of new boards and contribute to the Black Head club tent, it looks great after the sign writing.

In conclusion a special THANK YOU to the senior club for their ongoing support and the provision of an I.R.B. every Sunday and help with water safety.

It's great to see a number of nipper parents gaining their Surf Bronze this season and doing patrols, 79 this will help strengthen our club and make our beach a safer place, congratulations.

I thank all members of the committee and the parents for their support and help through out the year and look forward to the same dedicated involvement in the new season.

A special thank you to Ken Frost for all his support and work over many years of involvement. Ken will be greatly missed as he will not be standing for any positions at our A.G.M., Thank you Ken.
