Presidents Report

This year has been a hard year for Blackhead with a few major problems that cropped but they were sorted out in the best interests of the club for the long term. I applaud all those that have been involved . I would like to take this opportunity to thank the Junior Activities

Chairperson David Johnston for a great contribution to the Nippers and the Seniors, unfortunately Dave and the family are moving to Orange for a promotion and they will be sadly missed on and off the beach. Best of luck from all of us. To all the of committee members Senior and Junior I want to thank you for your enthusiasm and selflessness that has helped the club stand out amongst other Surf Clubs in N.S.W

Whilst writing I must pay special thanks to Ian Dyball and his band of merry women that form the Social Committee. They only got together this year and they have done a herculean effort in raising funds and having fun at the same time.

On the beach Blackhead was successful in all the competitions that they entered such as the Junior and Senior Country Titles, Branch Championships, State and Australian Titles. The list is far too long for me to mention here but you all deserve the plaudits that you receive. Whilst on the beach I will leave my biggest and best thank you to all of the volunteers that kept our beach safe for all of our children and the general public. While on the life saving side of things we cleaned up at the Beach Awards Night in the awards that matter.

Congratulations to all of the winners, once again it proves that Blackhead has the best lifesavers in the Branch.

LIFESAVING DIRECTOR REPORT

I would like to start out by thanking the most important people, for doing the most important job. To all our patrolling members who volunteer their time to patrol our beautiful Blackhead beach. Thank you for all your time and efforts on a remarkable job.

All members were decked out with a patrol uniform this season courtesy of DHL, and for the first time every volunteer lifesaver in Australia were wearing identical uniforms. They looked pretty flash too.

A new format was introduced for 'Best Patrol'. The new format incorporated lifesaving skills, patrolling skill & requirements, with a patrol inspection on a point score bases. It awarded members wearing their patrol uniforms, gaining new awards and on attendance.

*The **"Best Patrol"** this season was awarded to **Patrol 10** (pc) Terry Aldridge, Graeme Doig, Jim Crookston, Mark Dew, Garry Smith, Emma Cole, Deb Edstein and Kate McSwan. Awarded with shirts, hats donated by ITS and Ten Pin Bowling donated by Forster Bowling Club. I hear they have some hot competition next season.*

*Three members were awarded with **"Most Outstanding Service"** for their enormous amount of time they spent on patrol or water safety. **Matt Lindsay, David Lindsay and Jim Wilkinson.** You guys are awesome. **Thank you !!!!!***

A Big thank you to our 'Club Person of the Year' Paul Kremer. Paul has done a fantastic job as Chief Instructor. Paul consistently puts so much time and effort into training the Bronze Squad.

Blackhead conducted 2 Bronze Medallion Squads, 1 community award Bronze Medallion Squad, 2 ARC Squads, 1 First aid course & a IRB Drivers introduction day. We also had members that received RWC award, Patrol Captain's and IRB Crew award. All in all 63 new awards gained members this season. Thanks to everyone who lent a hand with instructing.

Thanks to Mark Fisher, IRB Captain and Chris March 1st aid Officer/Register for all your support, time and efforts in doing a great job though out the year.

Branch Presentation was a successful night for our lifesavers. We didn't take away the big prize – patrol competition, but we will aim for that next season. Congratulations

to Mark Fisher for being recognized for his contribution over many years and received Life Member.

Outstanding Contribution to Lifesaving - Felicity Jackson
Veteran Lifesaver of the Year - Paul Kremer
Senior Lifesaver of the Year - Jim Wilkinson
U19's Lifesaver Commendation - David Lindsay

Blackhead had new addition to our Branch visit our beach on many occasions over the summer, the Branch Surf Rescue Jet-ski's, a fantastic piece of rescue equipment. Thanks to the operators who took time out to show our patrol member how they are used for rescue purposes, everyone loved them.

Blackhead provided 20 members to aid in water safety for the Iron man Triathlon. Thanks to the volunteers who got out of bed early, Terry Aldridge for organizing the manpower & boards, & Mark Fisher for organizing the IRB equipment.

We kindly received a new ¾ rescue board donated from Tallwoods at the beginning of the season. It's been a popular board due to it's size. We have received a \$ 4 \$ funding to purchase another ¾ rescue board and a full length rescue board.

Thank to everyone who gained an award over the season, and to the dedicated 100% patrol attendance members. A big thank you to Patrol Captains and Vice Captains, always first to arrive and last to leave, a fantastic job team !!!!

I unfortunately was unable to attend our club presentation night. I would like to take this opportunity to congratulate the newly awarded Honour Blazer recipients. Well done Tim Manusu and John Bevan. For those who might be unaware of their contribution over the years can have a look at their history on our club walls.

Looking forward to another successful season.

See you all in summer

Finance Report

As usual, there are many people I would like to thank for their direct support, given to me, during this past year. This support is necessary to ensure the smooth financial operations of the club and as we continue to grow, makes my role less demanding. The 200 Club continues to be the clubs major fundraiser, with the Action Team of the Social Committee and the great job they are doing coming in close behind, with the following requiring a mention, Bingo – Lance Sweeney, Calcutta Races – Ron and Liz Bridges, Michael Bartlett - for the great job on the new bar, also to all those members who participated in the annual Bucket Drive.

The club has been very fortunate to obtain substantial donations during the past year, as indicated in the Financial Report. This continued support is directly reflected by the numerous building refurbishments completed during the past year and places the club in a strong financial position for the major extension to be undertaken in the near future.

Sponsorship also continues to increase and we encourage club members to support these organizations.

FOLLOWED BY LIST OF SPONSORS

A full Independent Audit Report for the financial year ended April 2004 follows hereafter.

Thankyou once again for everybody's support during the year, and I look forward to a bigger and better 2004 / 2005 season.

INDEPENDENT AUDIT REPORT

TO THE MEMBERS OF
BLACK HEAD SURF LIFE SAVING CLUB INCORPORATED

Scope

We have audited the financial report, being a special purpose financial report comprising Statement by Members of the Committee, Income and Expenditure Statement, Balance Sheet and Notes to the Financial Statements of the Black Head Surf Life Saving Club Incorporated for the period 1 July 2003 to 30 April 2004. The Committee is responsible for the financial report and has determined that the accounting policies used and described in Note 1 to the financial statements which form part of the financial report are appropriate to meet the needs of the Associations Incorporation Act NSW and the NSW Charitable Fundraising Act 1991 and the needs of the members. We have conducted an independent audit of the financial report in order to express an opinion on it to the members of the Black Head Surf Life Saving Club Incorporated. No opinion is expressed as to whether the accounting policies used, and described in Note 1, are appropriate to the needs of the members.

The financial report has been prepared for the purpose of fulfilling the requirements of the Associations Incorporation Act NSW and the NSW Charitable Fundraising Act 1991 and Regulations. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it is prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 1 to the financial statements. These policies do not require application of all Australian Accounting Standards and other mandatory professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.

Qualification

Cash donations are a significant source of revenue for the association. The committee has determined that it is impractical to establish controls over the collection of cash donations until they are entered in the accounting records. Accordingly, as evidence available to us regarding revenue from this source was limited, our audit procedures in regard to cash donations were restricted to the amounts recorded in the financial records. We are therefore unable to independently verify whether the amounts received from this source have been completely accounted for.

Qualified Audit Opinion

In our opinion, subject to the effect, if any, of the matters referred to in the preceding paragraph, the financial report presents fairly in accordance with the accounting policies described in Note 1 to the financial report, the financial position of the Black Head Surf Life Saving Club Incorporated as at 30 April 2004 and the results of the operations for the period then ended.

We also report that:

- a) the financial statements present fairly the financial result of fundraising appeals conducted during the year;
- b) the accounting and associated records have been properly kept during the year in accordance with the Charitable Fundraising Act 1991 and the Regulations;
- c) money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with the Charitable Fundraising Act 1991 and the Regulations; and
- d) at the date of this report, there are reasonable grounds to believe that the club will be able to pay its debts as and when they fall due.

Congratulations to all the competitors on their results this season. Noelene Young again did very well in competition. Deb Edstein put in a great effort to get good results in her first year of competition.

Black Head finished 2nd in the Lower North Coast Branch Championships and 6th in the handicap pointscore. This was a good result considering we only had 18 competitors attend.

Meredith King (U/16) was again selected in the interbranch team with great performance in the flag and sprint events.

IRB Captain report 2004 -

It was good to see renewed enthusiasm for IRBs this season with a new group of drivers on their way.

Rostering a proficient IRB driver and proficient IRB crewperson on every patrol was becoming difficult with an a few drivers dropping out of the club. This prompted quite a few members, including nipper parents, to start training for their awards to help share the load.

IRB driver training continued through the year culminating in an in depth driver and crewpersons weekend at Crowdy Head in May where several of our members gained their IRB crewpersons award and/or Silver medallion - IRB drivers award. I congratulate these people on their dedication to improving our patrol strength. Thanks go to the crew, drivers, instructors and examiners from Black Head who made it a great weekend of instruction, training, fun, laughs and of course networking.

Yet another batch of IRB drivers are training for their award at the moment and I'll be urging all members to attain their IRB crewpersons award during the approach to the upcoming patrol season.

IRB competition this year has showed an encouraging resurgence after a long break with now over a dozen clubs competing in the state pointscore series. Black Head is hoping to have a new team ready for next competition season made up of some old and new faces.

IRB equipment suppliers are now conforming to the recent changes to SLISA policies and are getting on top of stock shortages. Our committee has approved the sale of our old motors and the subsequent purchase of two new motors, propellor guards and propellers. I have ordered the first one and hope to see it on our beach for the first patrol. With the change of brand of motor we can hopefully look forward to reliability, service and availability of parts- which has eluded us since Johnson motors declared bankruptcy two years ago.

We have our second member entering the branch Jet Ski program which will go even further to make Black Head the safest beach on the coast. The Jetskis have been a great hit with all our patrolling members with many gaining their RWC (Rescue Water Craft) crewmans award last season.

I'm looking forward to a great season of IRBs at Black Head and encourage all to get involved.

See you in the surf.

Mark Fisher.

Social Activities Committee Report for 2003/2004

Committee: Ian Dyball (Director), Mike Bartlett (Bar Manager), Gail Doyle, Lisa March, Kate McSwan, Sue Weir, Cathy Whitelaw

In organising what our President John Hannigan described as the most active year for social activities that he can remember, the Committee achieved its dual aims of:

1. raising much needed funds for the club, by
2. organising functions to cater for a wide range of interests & ages, thus making BHSLSC the preferred venue for family and social activities.

Our clubhouse has been the venue for some amazing fun parties. We have certainly attracted a wide cross-section of the community (and visitors to "Australia's Friendliest Beach, 2003") to the various functions organised, and in doing so, have contributed over \$16,000 to support the primary function of our club - ensuring the safety of all swimmers who enjoy their time at Black Head Beach.

Very early in the year, we came to realise that the Sunday jazz afternoons had passed their "use by" date; even with bar takings, we barely covered costs. We introduced "**Sunday Sippers**" on the first Sunday each month. This has proved to be a popular time of relaxation with friends.

A new initiative, **FOAMies** (Friday Once A Month) continues to attract 80 or so people each month. The atmosphere in the club on these nights is just great, with a different "theme" each time - Mexican, vinyl records, ski lodge, Italian, beach party.

Many a local has commented that they have never seen a crowd as large as the one attracted to our **New Year's Eve Celebration**. Fine food, bar, disco & fireworks came together to welcome the new year with gusto.

Cathy, Ian & Lisa preparing the New Year's Eve decorations

Our **Brekky On The Balcony** over the Christmas/New Year period and again at Easter showed the real potential of our clubhouse and the magnificent location we enjoy. We planned to prepare about 60 breakfasts each day – first day 67 was Ok, but the following day was hectic to put it mildly when we served 141 cooked breakfasts!!

Kate with a sumptuous breakfast, ready to serve in style

During the Christmas holidays, our then caretaker Lance conducted his now famous and ever popular **Bingo** nights, receiving assistance along the way from several Committee members.

To talk about Titanic in the context of our surf club sounds pretty disastrous. But not our **"Night On The Titanic" Black Tie Ball**. An outstanding success in any measure, the organization and running of this function demonstrated the capabilities of the wonderful team of volunteers we have. The band, "Jigzag" from Sydney was excellent, decorations were superb, and the food prepared by our committee sumptuous. Congratulations one & all.

Sue & Manuel enjoy time together at the Ball

The most recent event, the **Bush Dance** with the band Wallaby Stew was another fun night, complete with bales of hay, pumpkin soup, stew and the ever popular bar.

Many people have said that we must "spread the word" when our next Ball, Bush Dance etc will be held – no way do they want to miss out. One only has to read the Newsletters prepared by Lisa, read the noticeboards, listen to the radio, read the newspapers – then book your ticket or just come along (as appropriate). A good time is guaranteed (and the various whale and dolphin will put on a show for us).

We are very appreciative of the support of the many volunteers who assisted Committee members throughout the year; without you, we could not have done the job. Many individuals & retail outlets supported us financially by donation or special price. The following have supported our social activities; we encourage club members to support them with your patronage:

<i>Diamond Beach Butchery</i>	<i>Diamond Beach Newsagency</i>
<i>The Point Bakery</i>	<i>3 Beaches Chemist</i>
<i>Fish Fish Fish</i>	<i>Allan Cowan/Hallidays Point Store</i>
<i>Coles Supermarket Taree</i>	<i>Ben Kelsall/Hallidays Point Tavern</i>
<i>Tallwoods Village & Golfcourse</i>	<i>Bunkers Restaurant, Tallwoods</i>
<i>Lions Club of Hallidays Point</i>	<i>Hallidays Point Public School</i>
<i>Ian Keirnan/Clean Up Australia</i>	<i>Loretans Jewellers</i>
<i>Michael Kent Pharmacy</i>	<i>Manning Valley Free Range Eggs</i>
<i>Bob Coupe</i>	<i>PJ's Cheaper Choice, Tuncurry</i>
<i>Hallidays Handifresh Supermarket</i>	<i>Laura Armstrong Massage Therapy</i>
<i>Robert Ford</i>	<i>East Coast Photography, Forster</i>
<i>Manning River Times</i>	<i>Radio: Great Lakes FM, Max FM, ABC</i>
<i>Saxbys Soft Drinks</i>	<i>Yvonne Garton</i>
<i>X Styles Hairdressing Salon</i>	

Committee members have been involved in a variety of activities outside the "social scene". These include rearranging the kitchen & pantry; Working bee to tidy the grounds around the clubhouse; remodelling & renovating the caretaker's flat; hall bookings, cleaning etc (particularly during the period of no caretaker);

Mike has always kept the bar well stocked, and we appreciate the initiative of Sue Schmerlieb in preparing a roster of members who have completed the RSA course, thus spreading the load of bar attendants.

We were very excited to receive the advice that our application for funds from the Commonwealth Government through the Grants For Volunteers was successful. We look forward to giving the Bain Marie and the Commercial Toaster a thorough workout soon.

I wish to place on record my sincere thanks to each of the Committee members who have so willingly committed time, energy and enthusiasm to ensure each event was a success. A great team spirit prevailed at all times AND we have had a lot of fun working together during the year. We look forward to an even bigger and more eventful year in 2004-05. The Committee has not run out of ideas (far from it) but would welcome suggestions from club members. One could even be radical and volunteer to join the Committee !!

Be part of this great club – come along just for the fun of it.

JUNIOR ACTIVITIES CHAIRPERSON'S REPORT

The 2003/2004 season saw once again very solid numbers within our nipper ranks totalling 143 members. Although, at times, these numbers have stretched our equipment resources, the dedication & co-operation between our age managers and their assistants, has seen the season run smoothly and efficiently.

Financially the club is in a very sound position. On the club's behalf, I recently mailed 95 fundraising and sponsorships letters within the community and with minimal follow-up at this time we have secured 6 new Infront Board sponsors, \$700-00 in donations and several pledges of items to include in next years raffle. These boards will be ordered and sign-written during the off-season and be ready for the 2004 season.

Our Insurance costs remain the club's biggest financial burden. All parents should note that our insurance costs for each nipper this year were \$14.10, which is barely covered by the membership fees of \$20.00. This buffer is further minimised when we take into account that no nipper pays entry fees to any carnival. (Branch carnival fees were \$13.50 per nipper). So, when taking this into consideration, it is easy to see the importance of the club's fundraising activities through the weekly BBQ and annual raffle. All parents in the coming season will be looked to, for assistance & greater support in the both the running, management and promotion of these key fundraising activities.

Nippers continues to provide a great social medium and healthy activity for both kids and parents, and I encourage all parents to look towards next season and to promote their child's continuance of attending nippers especially in the older age groups where traditionally we have seen numbers reduce at ages 13 & 14. To support this, the new management committee will be looking at ways in which we can make the activities in these age groups both more interesting, challenging and socially attractive. Ideas are welcome from both Nippers and parents on the subject.

Black Head's competition results this year again confirmed the outstanding abilities and skills that our Nippers have. Most importantly and pleasing was the respect and sportsmanship shown, not only within their age groups and team but towards other competitors. All nippers who attended carnivals are to be congratulated as they did themselves and our club proud. For next season it is my desire to see prior to each carnival a minimum of 2 Carnival Squad training days to familiarise all team members with the rules and regulations as well as opportunities to practice within their competition teams. I also hope to establish a regular midweek Squad training afternoon. To facilitate this, however, the club will need more qualified level 1 coaches and parents with bronzes for water safety.

I finally would like to reiterate to all members and parents that being involved with the management of the club does not require any special abilities. Most roles are not time consuming and require just a basic knowledge of process and procedure which is easily learnt whilst within the role. Any parent interested in obtaining their coaching certificate, their bronze medallion to assist with water safety, becoming an age manager, or who would like to assist anywhere within the club, please do not be afraid to come and talk to me. You will be most welcomed.
