Hi Bron

The insurance policies for the club attract the additional government charge of Stamp Duty in the total insurance premium.

SLS NSW is exempt from Stamp Duty and I have been chasing a copy of this exemption from the previous president of LNC branch. Nothing was provided. Crowdy Head SLSC just emailed me a copy of their exemption. They advised each club must apply separately and it is renewed every 3-4 years.

If I had a copy of this exemption, Black Head SLSC would have saved \$1,088 off their insurance invoice in July.

Might be worth the club applying for it so I can remove this cost off your insurance policy next year.

Kind Regards.

Equipment List - **** me it's done!!

Road Closure - Been advised by Ben Trausch that we have council approval to close the road in front of the club for any nipper related event.

Safety Equipment Purchase list - Will send a new list after finishing equipment list above.

Beach Access - Not easy lately, if we're going to get it changed we need to get evidence. Photos videos of how we can't get onto the beach.

IRB Motors - Surfguard says we have 9 motors but we have 3 downstairs. We may have another one sitting at a repair shop.

If I've finally caught up on paperwork that should have been done by the previous administration my next proposal is to clean up the IRB room.

Starting with a proper mount for spare motors.

New cabinet for fuel storage.

Shelving and bench space for storage and room for minor repairs

Tools required to the job needed.

Sincerely regarding me and no one else

Nigel

23/11 Avoca Surf Slam – Avoca Beach – 4 competitors

Surf Sport Team – Financial

- Very successful Halloween Disco – 130 kids- 75 adults- Thanks to Tania Mckone for all the work put in.
- Team member TAC levy fees are starting to be paid in with a number of members fully paid up.
- Training camp should now have been paid in full by visiting clubs, Black Head members are all fully paid up– Any issues??

Agenda Items:

1/ Coaching situation with Marty Cowper now not a member and has transferred to Newport SLSC, has removed self from Black Head coaching FB group and Black Head SLSC surf sports group. Continues to coach independently, run FB groups that are personal and independent, has refused to sign code of conduct, running own event program and encouraging Black Head members to undertake their event program.

2/ Request to correspond with Sandi Kippax re training session held during heavy storm activity despite being directed not to train.

3/ Issues with ski storage and how to resolve same ;

- No more than 1X ski and 1X board to be stored in shed per member

- Requet to sell 2X oldest double ski's – Unused and gathering dust
- Emails to be sent to non-members that are storing gear in shed to have gear removed (Lee Croker and Joel Flemming)

4/ Motion to scale back decision preventing Miley Cox (and others without BH competition rights) training with Black Head Surf Sports team. The original decision was based on the very emotional and personal arguments put forward by former head coach Martin Cowper. Request a review of this decision to allow any member over the age of U15 level to compete at another club if the request is made once their obligations and training in regard to Nippers, SRC and bronze medallion have been completed. This is conditional that they remain a patrolling/active member of Black Head SLSC only. Guest training is allowed however must be with approval of Black Head SLSC coaches and/or Director of Surf Sports. This should not be a long-term situation.

Probus.

Afternoon Bronwyn I have just spoken with Terry regarding Probus extending hours on Tuesday 3rd December for Christmas lunch and needing Bar Staff to serve drinks from the Bar between 12 noon and 2pm. Terry assured me this will go on the Agenda for your next meeting. We usually have 40 members attending our meetings. So I don't know if you will need 2 Bar Staff on the day. We look forward to hearing from you, and love having our Probus Meetings at the Surf Club, in my opinion the best venue in Blackhead.

Kind regards,
Jill Keenan
Activities Coordinator,
Probus
